Whether you're envisioning office space, retail, a restaurant, personal training or wellness studio, or something entirely unique, the multi-purpose layout supports it all. The north side of the building features two full, separate bathrooms with shower stalls and an additional wheelchair-accessible washroom. There is also a private office in the main open area and a separate enclosed room (approx. 18' x 25') with its own exterior entrance, offering even more flexibility for use or rental. The south side of the building is currently divided into individual rooms (some already rented out), along with a shared washroom, a small office kitchen, laundry, and a cozy waiting area with access to the back parking lot.
