TIMELESS DESIGN MEETS MODERN LIVING IN WEST HILLHURST.

This custom-designed home in sought-after West Hillhurst, blends a refined style with warm materials creating a unique home with timeless appeal. Set on a 130' deep south-facing lot, the property offers over 3,200 sq. ft. of living space with high-quality finishing, delivering exceptional value.

The MAIN LEVEL's layout balances open-plan flow with rooms defined by level changes and feature elements that create cozy, inviting spaces. This intimate design is complimented by 9-foot flat ceilings, rich Tigerwood floors, large windows, and an open staircase featuring skylight that floods the home with natural light. The heart of the home is an entertainer's dream - a sleek kitchen with custom cabinetry, a massive 8' quartz island, full wall pantry, and top-tier Sub-Zero and AEG stainless appliances. Opposite the island is a built in desk, offering lots of area for guests to "hang out", or as a work surface. The spacious great room features a two-sided gas fireplace and built-in media wall and seamlessly connects to the tiled mudroom and the Zen-like backyard retreat.

The THIRD FLOOR flex space is an ideal home office, gym, or studio which opens onto a private 13â€™ enclosed sunroom (this level could also be converted to bedroom, with a few modifications).

The fully finished BASEMENT has 9â€™ ceilings and a large media/rec room with 5.1 surround sound/built-in speakers, a full bar area, (mechanical room behind offers possibility for bar sink), guest bedroom, and 3 piece. bath with zoned in-floor heating throughout. House interior was repainted end of 2024, and new roof 2020. Double high velocity furnaces, provide more efficient heat/air distribution, and soft "flex" ducting reduces noise and dust.
