Space for the whole family, trails at your doorstep, and a garage big enough for all your toys – welcome to 84 Sunset Manor.

Set in a quiet pocket of Sunset Ridge, this Landmark-built home gives you over 2,500 sq. ft., a smart floor plan, and little touches that make daily life easier. The main floor is bright and open with hardwood throughout, a kitchen that blends style and practicality (soft-close cabinets, walk-in pantry, premium appliances including gas stove), with easy access to the comfortable deck inviting you to either relax or grill. There's a dedicated office space just off the entrance and the oversized double attached garage means you can store vehicles, gear, and still have room for hobbies.

The living room's gas fireplace is the natural gathering spot on winter nights, while central A/C keeps you comfortable through the summer.

Upstairs, discover four bedrooms and a spacious family room. The primary suite is your personal sanctuary with a spa-inspired ensuite, set apart for privacy. It has a massive freestanding soaker tub, dual vanities and a large walk-in closet. Your children or guests will have their own wing which includes 3 bedrooms, a full bath and an upstairs laundry room complete with linen storage.

Downstairs, the walk-out basement is a blank canvas for your vision: gym, games room, or in-laws living area. Step outside and you're right on the community's scenic trail system, with a short distance to Sunset

Pond and RancheView School.
