This industrial shop in Eckville, Alberta, is ideal for businesses looking to establish or expand operations. This 2880 sqft property is zoned C2, making it suitable for various commercial uses. The street front entrance leads to a 32x30 showroom with a reception desk, providing a practical space to welcome clients. Above the showroom, the mezzanine level includes two large offices and a storage room, offering ample administrative space. The shop area is a 32x60 work area with radiant heat, ensuring a comfortable working environment. At the rear of the property, two 14 ft overhead doors allow for easy access for large equipment and deliveries. Additional storage is available with a parts room that includes a mezzanine for extra space. Two main floor washrooms add to the convenience for both staff and customers. Previously used as a small engine repair shop, this property is suitable for similar businesses or those looking to expand existing operations. The location provides easy access to local amenities and transportation routes, making it convenient for both customers and suppliers. This industrial shop offers practical space and essential features for various business needs. Secure this opportunity in Eckville, Alberta, for your business growth. Owner is open to securing a two-year lease at fair market rates, making this an excellent option for those considering a short-term hold.
