Mobile on 0.00 Acres

Redwood, Lethbridge, Alberta

This home in Parkview Estates has a lot going for it. You'll notice right away it has brand new windows throughout, which is a big bonus. It's hard to find a mobile with 4 bedrooms, but this one has the space plus 1.5 baths and a separate laundry room. At 1,569 square feet it's a great size for a family, and the fenced yard gives you room for kids or pets to play. There's also a shed out back for extra storage. Inside you'll find a newer fridge and stove already in place, so you can just move in and enjoy. The layout flows nicely and gives you a little more elbow room than most places in the park. Having a laundry room instead of just a closet makes day-to-day living that much easier. The yard is low maintenance and ready for you to make it your own, whether that's a garden, a play area, or a spot to relax. If you've been waiting for an affordable home that actually has the space you need, this is the one to check out.
