Land on 160.00 Acres

NONE, Rural Westlock County, Alberta

Newly cultivated and ready for seeding – this 160-acre parcel offers an excellent opportunity to own productive farmland in a strong agricultural area. Worked and converted from pasture in the fall of 2025, the land is now ready for its first crop.

The property is already subdivided into two 80-acre titles, offering flexibility for building, resale, or multi-use operations. Approximately 145 acres are cultivated and level, with the remaining 15 acres treed, providing natural shelter and diversity. The land features Class 2 soil, well-suited for grain farming, cattle, or mixed operations, and is fully fenced for livestock if desired.

A dugout provides reliable water access, and sand reserves estimated at 30,000 cubic yards add extra long-term investment potential. Conveniently located near the communities of Legal and Vimy, this quarter combines easy access to amenities with a quiet rural setting.

Whether you're looking to expand your farm, build your dream homestead, or hold valuable land as an investment, this property presents a rare and versatile opportunity.
